

Eaglecrest Residents' Association

Eagle Eye News

Providing honest coverage of the Eaglecrest neighbourhood "provisioning" process.

*This is our first **Eagle Eye** newsletter with more robust mail-out software. So, of course, it starts a bit rough around the edges. Sorry about that.*

*And this is our delightfully first promotion about the brand new business in our neighbourhood: **Extreme Eatery**. They will be occupying the place of honour in the Eaglecrest Clubhouse:*

.....

Dear Eaglecrest Residents Association Members,

Thank you very much for your interest and excitement surrounding the reopening and revitalization efforts at Eaglecrest Golf Course and The Shack Taphouse. We truly appreciate the warm welcome and support from the surrounding community, and we are very much looking forward to meeting everyone and moving forward together.

We did want to clarify that the Tuesday, June 2nd open house event is a private, invitation-only evening intended specifically for contractors, trades, project partners, and key community stakeholders directly involved in the development process. Due to event capacity and licensing considerations, attendance for that evening must remain limited to the original invited guest list.

However, we would be absolutely delighted to welcome members of the Eaglecrest Residences Association to a dedicated community open house on:

Wednesday, June 3rd
11:00AM – 1:00PM
Eaglecrest Golf Course

Guests will have the opportunity to tour the space, see the progress and offerings, meet members of our team, and enjoy complimentary coffee and cake while connecting with fellow community members.

Please feel free to share this invitation with fellow residents within the Eaglecrest community.

Please RSVP by May 28th, 2026 to oura@extremeeatz.com with the number of attendees in your group.

We are genuinely excited to become part of the Eaglecrest community and appreciate your understanding regarding the June 2nd event. We look forward to welcoming you on **June 3rd** and sharing what's ahead together.

Warm regards,

Extreme Eatz Restaurants Inc.
